A letter from ...

THE PRINCIPAL OF BROOKSIDE ELEMENTARY SCHOOL

Kathy Crossman

Dear Willits Community:

The staff at Brookside Elementary, home to Willits Preschool, Transitional Kindergarten, Kindergarten, First- and Second-Grade students, is gearing up for a big year! We are preparing for our students, including at least 60 TK students, our 4- and 5-year-olds, who are going to school for the full day as part of a two-year kindergarten program.

Principal Kathleen Crossman

Mrs. Heather Linderman, and our new attendance secretary, Mrs. Amanda Maciel

You may notice that our WUSD maintenance and grounds teams have been hard at work and Brookside is getting a bit of a facelift! We have some newly renovated classrooms on the west side of campus, a new ball-wall for students, some new energy-efficient windows, and updates around the school.

We are eager to meet families! Each classroom will be open on Friday, August 16 so students and families may meet the teacher and new friends and see the classroom. The times are: Transitional Kindergarten, 1 to 3 pm; and Kindergarten, 1st and 2nd Grades, 2 to 3 pm. Every family will have a parent conference with their child's TK or Kindergarten student within the first two weeks of school so our students get off to a great start!

An important message from the Brookside Elementary School Family for our students and their families is that we are eager to see friends again and to meet our new learners. We hope every student feels welcome, valued and safe at Brookside. Our continued goals are to have all students at grade-level in reading and math and to make sure our students love to learn!

Please contact me at KathleenCrossman@WillitsUnified.com at any time to connect. We will also communicate with our families on Class Dojo, so please accept your teacher's invitation if you have a Brookside student.

Welcome back to school, Hawks!

Principal Arora Chavez

We're thrilled to kick off another exciting year at Sanhedrin. It's a fantastic time to be a student here, with a range of educational opportunities at your fingertips. Whether you're interested in dual enrollment with Mendocino College and Sanhedrin, online or in-person courses, there's something for everyone. This year we expanded our independent study program from kindergarten through 12th grade.

A warm welcome to all our new families - whether you're coming from within the district or have recently relocated from another city, state, or country. We're eager and excited to have you here. Our dedicated teachers, staff, and students are all set to make you feel at home.

Our goal is to ensure that every student feels welcomed, engaged, and connected. If you're considering Sanhedrin for your student, please reach out to a school counselor at Willits High School to explore if we're a good fit. We're committed to preparing students for higher education, meaningful careers, and active community participation.

Additionally, we offer adult education and unique college courses for our high school students on campus, like Culinary Arts, Agriculture, Career Exploration and other courses through Mendocino College.

As we begin this new school year, I'm excited about the journey ahead and to collaborate with you to provide an enriching educational experience for your children. We value the partnership of our families and are dedicated to working together with professionalism, compassion, and expertise. Let's work together to ensure the success of all our students. Stay healthy, stay positive, and stay connected!

CDPH recommends students get routine vaccines ahead of new school year

Posted by CDPH

Sacramento - As the new school year approaches, the California Department of Public Health urges children, teens, and adults to get recommended and required vaccines.

"School immunization requirements and recommended vaccines help protect the health of our children, teens and communities," said Dr. Tomás J. Aragón, CDPH Director and State Public Health Officer. "If you haven't done so already, talk with your doctor about immunizations for your child. And if your child needs to get immunized, schedule your appointment soon, well before the school year begins."

Required Immunizations: California law requires students to receive age-specific immunizations in order to attend public and private elementary and secondary schools as well as licensed childcare centers. Schools and licensed childcare centers are required to enforce immunization requirements, maintain immunization records of all children enrolled, and report children's immunization status to CDPH.

Families can visit CDPH's ShotsforSchool at www.cdph.ca.gov/Programs/CID/DCDC/Pages/Immunization/School/shotsforschool.aspx and Don't Wait - Vaccinate! www.cdph.ca.gov/Programs/OPA/Pages/Communications-Toolkits/Don%E2%80%99t-Wait-Vaccinate.aspx web pages for information on immunization laws and required vaccinations for students in California.

It is also recommended that children and adolescents are vaccinated against additional vaccine-preventable diseases, including human papillomavirus, a common infection which can slowly and silently lead to cancer. HPV vaccination is recommended starting at age 9 years to help protect against cancers caused by HPV infection. Many teens in California have not yet been vaccinated against HPV and lack other vital vaccines.

Resources for Families: Families who are facing difficulties getting immunizations before the start of school can contact their local health department for help in finding a place to get immunized. Under the Affordable Care Act, most health plans are required to cover vaccines recommended by the Centers for Disease Control and Prevention and to not charge a deductible or copayment. Or visit the CDPH "Vaccine Locator" page at https://myturn.ca.gov/vaccinelocator.html

Children without insurance coverage qualify for the Vaccines for Children program https://eziz.org/vfc/ which provides no-cost vaccines for eligible children.
